## **APPEAL AND PROTEST INFORMATION**

The District mails annual Notices of Appraised Values to applicable property owners as pursuant to the Texas Property Tax Code.

A property owner has a right to protest an action by the District for each tax year by submitting a written protest by May 15 or 30 days after the Notice is mailed, whichever is later. Most disputes are resolved informally with an appraiser. If a property owner still disagrees, they may appear before the Appraisal Review Board (ARB) if a timely protest was filed.

The ARB schedules these appeals for protest hearings and notifies the protesting party of their scheduled hearing before the ARB. Property owners or their tax consultants appear before the ARB in person, by written affidavit or telephone as well as the appraisal district staff to present evidence concerning protested property accounts. The ARB makes independent rulings based on the evidence presented at the hearing.
