

## **WILDLIFE MANAGEMENT ANNUAL REPORT CHECKLIST:**

Once a property is approved for Wildlife Management Use the District will require annual reports. The property owner will submit a Wildlife Management Annual Report using Texas Parks & Wildlife form PWD 888-W7000 (07/08), which is available from the District website. This form will be used to report activities completed in the year being requested. A minimum of three activities must be completed and documented annually. Supporting documentation to the annual report should include receipts for expenses or a detailed dated activity log, photos of the activities being reported, and an aerial map showing the location of the activities being reported. Failure to submit the annual report will result in the removal of the agricultural value. A summary is shown below.

### **All of the following information is required when submitting the annual report:**

- ☐ Completed, signed & dated Annual Report form PWD 888-W7000 for 2024
- ☐ Receipts – sampling from expenses paid in 2024 **OR** Detailed dated activity log
- ☐ Map of property – aerial map or survey showing location of activities completed in 2024
- ☐ Photos – photos of activities reported as completed in 2024
